

## Workshop for young (former) Refugees

### This is YOUR space!

Come join us, together we can create a place to meet, be creative, have fun and share information! We will meet on Saturday, August 5th, 2023 in the youth hostel Oldenburg. The two trainers **Modou Diedhiou** and **Seedy Saidykhan** will organize the day together with the Refugee Council of Lower Saxony.

### What is the workshop about?

There is no set program, we will adapt to the wishes and topics of the group. We're offering workshops where you can **share your personal experiences in Germany**. You can discuss them in the group and together you can think about ideas on how to deal with your experiences - as an individual or as a group.

The goal is that you **gain knowledge about your rights as young (former) Refugee** and how you can use your knowledge. The point is to have fun together, so the whole program will be accompanied by different trainers, so that you all feel comfortable and safe. **If you know your own rights and those of other people with similar experiences, you have more power and motivation to move on positively into the future.**

We would like to support you in this and are looking forward to your registration!

**Who can come:** Young people aged **16-27 years** with a refugee or migrant background

**When:** Saturday 5th of August 2023, 11am - 6pm (we'll have dinner together afterwards)

**Where:** youth hostel ("Jugendherberge") Oldenburg

**Costs?** None :)

We will provide free food and drinks throughout the day!
