

Ways to stay

You have been granted a so-called right of residence by opportunity according to § 104c of the Residence Act (Chancen-Aufenthaltsrecht). For the extension of your residence permit according to §§ 25a,b of the Residence Act, the clarified identity and the possession of a recognized and valid national passport are two important requirements.

The Flüchtlingsrat Niedersachsen e.V., the district of Göttingen, as well as the advice centers in the city and district of Göttingen are running a joint model project with the name "Wege ins Bleiberecht" (Ways to stay). As part of the project, advice and support is provided to obtain a residence permit, in particular to clarify your identity and to obtain a passport.

If you need support, please contact the counseling and advice centers listed on the following page. We will be happy to provide you with information and help. These centers offer independent advice and are not part of the immigration office.

Please bring this letter with you when you visit one of the counseling centers or say the keyword "Wege ins Bleiberecht". The counseling centers on the following page are looking forward to hearing from you!
